Clinton Olde Home Day is hosting our 1st Red, White & Brew Tastings and we would love to have you attend. This year, we are branching out to local Craft Beer and Wineries to bring them together for adults to enjoy a sampling and we would love to have you attend. Only a maximum of 15 vendors will be onsite, as space is limited. The event will be held in our historic Fallon Auditorium in Clinton's Town Hall (Massachusetts).

Each year, we have a special event to kick off our annual town fair, which is now in our 18th year. Our previous Friday night events have included "Boston Sports Awards," where all the major local sports teams brought their championship trophies to be viewed by the general public. It was a first time that all major team trophies had been together for viewing. More recently, during the past 4 years, fifteen Massachusetts museums have come together as "A Night at the Museums" event to be enjoyed by everyone. We have also hosted several antique appraisal fairs and gold/silver sales and a smaller version of wine and craft beer sampling. All of the events have been well attended and are appreciated. As mentioned, we are in our 18th year and have been voted the Best Family Fair in central Massachusetts for over the past 10 years by Worcester's Telegram newspaper.
